Patras, 04-02-2017

Dear colleagues,

It's with great pleasure that we announce the third Summer School on Wastewater and Biosolids Management (WWSS17), after the successful organization of WWSS15 and WWSS16.

The School will take place on July 17-22, 2017, in Patras. It is a Distance Education e-Learning Summer School, which is organized in the context of the Postgraduate Study Programme "Waste Management", of the Hellenic Open University (HOU).

The official language of the Summer School is English and the presentations will be given through the web.

The website of WWSS17 is <http://wastewater2017.eap.gr/>. You may also visit the WWSS16 website (<http://wastewater2016.eap.gr/>)

We are looking forward to receiving your reply and we cordially like to invite you to disseminate this educational event to potentially interested parties.

Thank you in advance for your support to WWSS17.

Sincerely Yours

Associate Professor Dr. Ioannis K. Kalavrouziotis  
Dean of the School of Science and Technology  
Director of Postgraduate Master Program in 'Waste Management'
